ST. TAMMANY
WEST CHAMBER
OF COMMERCE

THANK YOU FOR YOUR INTEREST IN THE CHAMBER!

Thank you for your interest in the St. Tammany West Chamber of Commerce, where our business is your success. Our Chamber has a 5-star Accreditation from the United States Chamber of Commerce, placing us in the top 1% of all Chambers of Commerce in the country. This is an indication of the effort we make to meet the needs of our member businesses and strengthen our business community. Statistics show that 63% of consumers view a Chamber of Commerce member business as having more credibility than non-member businesses. Members of the St. Tammany West Chamber of Commerce come from every sector of the business community. Membership means something different to each of our members, and the primary reasons businesses join include:

- Business advocacy and representation on legislative issues at local, state and national levels
- Networking and building relationships with fellow business professionals
- Recognition and exposure for their business
- Impact on the community's quality of life and business environment in St. Tammany Parish

For these and other reasons, we are nearly 1,000 members strong and each additional member adds to that strength. We hope that you will join our efforts toward continued improvement of the business climate on the Northshore. If you have any questions, please do not hesitate to call me at (985) 273-3004 or contact me at lacey@sttammanycommerce.org.

These local businesses are recognized in such categories as "Service with a Smile", "Innovation", "All in the Family", and many more!
