

## St. Tammany Chamber Awards Scholarships

The St. Tammany Chamber of Commerce recently awarded \$1,000 scholarships to St. Tammany high school seniors, Analiese Donovan from Covington High School and Madelyn Zambiasi from Lakeshore High School. The scholarships were funded with proceeds from the Chamber's 2019 Swinging for Scholarships Golf Tournament.

"The Chamber is committed to the growth of business and keeping local talent in our community," said St. Tammany Chamber CEO Lacey Osborne. "We are thankful to everyone who participated in the golf tournament and made these scholarships possible. We hope our annual golf tournament will enable us to continue to award scholarships."

Applications were open to St. Tammany residents with a minimum GPA of 3.0 and majoring in business as an incoming freshman at a Louisiana college or university. Applicants also submitted a 250-word essay on what influenced the decision to pursue a business career and two letters of recommendation from a non-family member. Analiese Donovan and Madelyn Zambiasi are both starting Louisiana State University in Baton Rouge in the Fall.

"The Selection Committee was very impressed with the accomplishments of Analiese Donovan and Madelyn Zambiasi," said Chamber Board Chairman Tom Meyer. "We commend them for their academic achievements, extra-curricular activities and determination. I would also like to thank Ryan Myers with F.H. Myers Construction and James Richardson with Insurance Underwriters for co-chairing the golf tournament and exceeding our expectations."
